

COMPLAINT (EXCERPT). Plaintiff Jordan Doe brings this action under 42 U.S.C. § 1983 on behalf of her daughter, E.D., a minor, against the Harbor Point Unified School District and Assistant Principal R. Vance, for an unreasonable search at Harbor Point Middle School on October 3, 2025.

App. 1

DECLARATION OF JORDAN DOE (EXCERPT). I am E.D.'s mother. E.D. was born in 2011 and was in eighth grade at Harbor Point Middle School in October 2025.

App. 2

DECLARATION OF R. VANCE, ASSISTANT PRINCIPAL (EXCERPT). On the morning of October 3, 2025, the front office received an anonymous note saying that a student had brought prescription pills to school. I asked E.D. to come to my office and searched her backpack. I found no pills and nothing else against school rules.

App. 3

DECLARATION OF R. VANCE (CONTINUED). After the backpack search, the school nurse, not I, decided that E.D.'s clothing should be checked. I was not present for that second search and did not order it.

App. 4

DEPOSITION OF E.C. (EXCERPT, CONDENSED). Q. Were you in the nurse's office that morning?
A. Yes, I was waiting for an ice pack. I saw the nurse ask E.D. to shake out her clothes.

App. 5

ORDER GRANTING SUMMARY JUDGMENT (EXCERPT). The Court finds that the defendants are entitled to summary judgment because the searches were reasonable at their inception.
